BROCHURE

Welcome to the 4th World Congress on Sustainable Agriculture & Food Systems (SAFS-2024)!

Innovinc International welcomes you to attend 4th World Congress on Sustainable Agriculture & Food Systems (SAFS-2024) the during Sept 19-20, 2024 at Barcelona, Spain. We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Agriculture & Food Systems.

Innovations in Agriculture & Food Systems (**SAFS-2024**) anticipates more than 250 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Deputy Directors of Agriculture and Food Systems, CEO'S, Researchers, Lectures and Students.

Participants from the top international academic, government and private industry labs of different disciplines participate in SAFS-2024 to identify new technology trends, development tools, product opportunities, R&D collaborations, and commercialization partners. It is an excellent event for students to meet and discuss with lead researchers. The conference provides an unprecedented opportunity to discover innovation in the area of Agriculture and Food Systems. It is among the most important events in terms of international regulatory policies and it is open to the participation of private companies.

Sincerely yours.

Stewart Kelan,
Conference Chairman

SAFS-2024

About us

Innovinc International Conferences are powered with knowledge, experience and amazing people and has managed to become one of the leading B2B event organizers. By gathering expert speakers and leading professionals, providing them with strategic knowledge and growth opportunities. Our goal is to always to focusing on innovative trends, covering the most up-to-date topics and working with top industry minds to prepare and execute the high-quality premier events. Our mission is engaged in organizing the conferences, publishing the high-quality conference proceedings, as well as providing services to scientists and young researchers on recent research updates in all fields.

CONFERENCE HIGHLIGHTS

Conference sessions may be geared toward participants with different levels of experience or different positions. Main conference sessions include the following 20 tracks and 70 sub-tracks. Choose to follow one track or move between tracks to create your own personalized conference experience.

- Agricultural Biotechnology
- Agricultural Machinery and Energy Systems
- Agricultural Ecology
- Agricultural Structures and Irrigation
- Agriculture Economy
- Biosystems Engineering
- Field Crops
- Food Engineering
- Forest Engineering
- Forest Industry Engineering
- Forestry and Agro-Forestry
- Horticultural Plants
- Macro and Micro Pollutants in Agriculture
- Organic Agriculture
- Plant Protection
- Renewable energy
- Rural Development and Agro-Economy
- Soil Science and Plant Nutrition
- Wildlife Ecology and Management
- Urban Agriculture
- Crop Protection
- Agricultural productivity
- Harvesting and Harnessing Rainwater
- Plant Genetics and Epigenetics

Registration:

<https://sustainableagri-congress.org/registration>

WHY YOU SHOULD ATTEND

- To Meet renowned speakers, world's leading CEO's, Assistant professors, Professors of Agriculture and Food Systems
- To know about the ongoing research projects and innovations in Agriculture and Food Systems
- Chance to collaborate research organizations with industries
- To share the research ideas and implement them
- New contacts to enhance the business opportunities
- Build relationships of influence with key people in the field
- Generate brand awareness and sales leads qualified by meaningful conversation
- Deepen your understanding of the field and how best to engage with it
- Engage with high profile international and national speakers
- Connect with potential partners and commercial allies
- Promote and showcase the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience.

YOUNG RESEARCH FORUM:

We welcome all the young researchers and students to present your study in the Poster Competition. Innovinc conferences provide you an opportunity of presenting your research-in-progress to international audience and experts in a visual format. As a poster presenter, you will have a unique opportunity to combine visual and oral explanations of your project. This competition is open to all students (Graduates, Post Graduates and Research Scholars). Posters will be evaluated by the conference committee and the Honorable Judge. Best posters awards will be given to the winners as selected by the Judge.

POSTER PRESENTATIONS:

The posters will be displayed at the conference and the top 5 abstracts will be invited to give oral presentations, with the best one awarded a prize at the conference. All abstracts must be submitted and presented in English, may not be longer than 300 words. Abstract titles should be written in capital letters and may not be longer than 60 characters. If an abstract is accepted, authors must attend the meeting and present it in person. Abstracts are to be presented as a poster. The size of the poster should be 90 x 120 cm. All accepted abstracts will be printed in the meeting abstract book.

GUIDELINES FOR POSTERS:

Preferred size: A1 (if resubmitting a poster from a previous event please state poster size on abstract submission) Poster can be resubmitted from another conference (within the last 18 months) One or more of the author(s) will be expected to attend the conference Details regarding displaying the poster at the conference will be given nearer the time.

REGISTRATION:

Register here: <https://sustainableagri-congress.org/registration>

CANCELLATION POLICY:

- Cancellation policy is strictly followed and all cancellations must be made in writing.
- Before two month will receive a full refund, less a \$100 towards administrative fee. Cancellations received after close of business [before one month of the conference start date] are non-refundable.
- The registrations with discounted prices are transferable but not refundable at any point of time.
- In this case if the applicant is author, the paper will still be published in the conference proceedings and delegates will receive an electronic copy of the proceedings.
- Refunds will be made within 28 days of receipt of cancellation notification.

IMPORTANT DATES

Abstract Submission starts on: **May 10th, 2024**
Registration opens: **May 15th, 2024**
Conference dates: **Sept 19-20, 2024**

CONFERENCE VENUE - BARCELONA, SPAIN

CONFERENCE VENUE: BARCELONA, SPAIN

The first human settlements in Barcelona date back to Neolithic times. The city itself was founded by the Romans who set up a colony called Barcino at the end of the 1st century BC. The colony had some thousand inhabitants and was bounded by a defensive wall, the remains of which can still be seen in the old town.

For over 200 years, Barcelona was under Muslim rule, and, following the Christian reconquest, it became a county of the Carolingian Empire and one of the main residences of the court of the Crown of Aragon. The fruitful medieval period established Barcelona's position as the economic and political centre of the Western Mediterranean. The city's Gothic Quarter bears witness to the splendour enjoyed by the city from the 13th to the 15th centuries.

From the 15th to 18th centuries Barcelona entered a period of decline, while it struggled to maintain its economic and political independence. This struggle ended in 1714, when the city fell to the Bourbon troops and Catalonia's and Catalans' rights and privileges were suppressed. Barcelona is the capital city of the autonomous community of Catalonia in Spain and the country's 2nd largest city, with a population of 1.6 million within its administrative limits. About five million people live in the Barcelona metropolitan area. It is the largest metropolis on the Mediterranean Sea, located on the coast between the mouths of the rivers Llobregat and Besòs, and bounded to the west by the Serra de Collserola mountain range, the tallest peak of which is 512 metres high. Founded as a Roman city, in the Middle Ages Barcelona became the capital of the County of Barcelona.
